

INVITATION

VASSCAA - 6

CALL FOR PAPERS

6th

VACUUM AND SURFACE SCIENCES CONFERENCE OF ASIA AND AUSTRALIA

9 - 13 October, 2012

ISLAMABAD - PAKISTAN

The VASSCAA series is organized to create a new forum in Asia and Australia for discussing vacuum, surface and related sciences, techniques and applications. The conference is an officially endorsed event of the International Union for Vacuum Science, Technique and Applications (IUVESTA). The International Steering Committee of VASSCAA is comprised of Vacuum Societies of seven countries: Australia, China, India, Iran, Japan, Pakistan and South Korea. The 1st VASSCAA was organized by the Vacuum Society of Japan and held in 1999 at Tokyo. The 2nd, 3rd, 4th and 5th VASSCAA conferences were held at Hong Kong, Singapore, Japan and China respectively. Pakistan Vacuum Society feels pride in announcing the VASSCAA-6 at Islamabad, Pakistan. Conference proceedings will be published in reputed international journal.

SYMPOSIUM TOPICS

- Surface Science and Engineering
- Electronic Materials and Processing
- Nanometer Structures
- Thin Films
- Vacuum Science and Technology
- Plasma Science and Techniques
- Bio Interfaces
- Renewable Energy Technologies

TECHNICAL SHORT COURSES

- Two-days short course on: Vacuum Techniques in Renewable Energy Technologies
- Two-days short course on: Modern Trends in Vacuum Technology
- Two-days short course on: Techniques for Surface Analysis
- One-day short course on: Chemical Cleaning Techniques for Vacuum Systems

EXHIBITION

An exhibition of vacuum technology equipments & systems has also been arranged during VASSCAA-6

POSTER SESSION

Poster sessions will be organized during the conference

REGISTRATION FEE: *Local: Rs. 5000, Students: Rs. 3000, Foreign: US\$ 500*

KEY
DATES

Abstract submission	May 15, 2012
Notice of acceptance	June 15, 2012
Full paper submission	August 1, 2012
Last date of registration	September 15, 2012
Room reservation	September 15, 2012

VENUE

National Institute of Vacuum Science and Technology (NINVEST), NCP Complex, Quaid-i-Azam University, Islamabad, Pakistan
